Dear Khun Tiwary,

Congratulations to you and the enthusiastic E 3 Asia team for making the first breakthrough in a very quick time for the GreenCHILL™ - bioenergy driven innovative refrigeration system!

Your ability to take up new challenges has indeed been the big factor in making this happen. We at New Leaf Dynamic Technologies, would like to applaud and thank you for the efforts made by your team in creating opportunities for this innovative technology which ensure that it does no harm to the Climate in any way!

We look forward to our exciting journey forward making it a mutually rewarding journey offering these Sustainable Green Cold Room solutions for the market in Thailand and beyond in ASEAN !

Thanking you once again and wishing E3 Asia for many more encores in the coming days writing a new history in the HVAC&R industry!!

Warm Regards,

For, New Leaf Dynamic Technologies (P) LTD
